ROYAL BAKING POWDER CO., NEW YORK.

A total number of 970 charities collected last year in London the sum of £8,267,291.

A man who gave his name as Wilson and his home as Brown county, O., was tried before Judge Evans at Winchester this week for the illegal sale of liquor and was fined \$100.

Before the discovery of One Minute Cough Cure, Ministers were greatly disturbed by coughing congregations. No excuse for it now. Henry W. Ray, adjoining Postoffice.

John W. Penno, a Manchester ex-tobacco merchant, has been adjudged insane and will be taken to the Athen's Asylum. He was a heavy loser in a tobacco deal some years ago, and brooding over his loss caused his mental trouble.

Members of the congregation of the Methodist Church at West Union surprised their Pastor, the Rev. Mr. Easton, a few evenings since by calling at his residence and leaving baskets of provisions and groceries, the best the market afforded.

F. J. Howe, son-in-law of J. P. Reese of Augusta and a former resident of Kentucky, has announced as a candidate for Alderman in the Twenty-fifth Ward of Chicago. Mr. Howe is a grandson of the late Buckner S. Morris, formerly of Augusta, who was the second Mayor of Chicago.

**MORMONS DRIVEN OUT.**  
Citizens of Lewis County Have Forced Missionaries to Leave.

The Mormon Missionaries have been driven out of Lewis county, where they have been holding successful meetings for years.

The work of the Elders progressed very satisfactorily until they began to give their secret instructions to their converts and to claim that they had power to work miracles. James Meese, one of the converts, tried to turn water into wine, without success.

The people broke up the meetings at a number of places, and the Elders have packed their grips and gone.

Many people suffer untold tortures from piles, because of the popular impression that they cannot be cured. Tabler's Buckeye Pile Ointment will cure them. It has met with absolute success. Price, 50 cents, in bottles, tubes 25 cents. J. Jas. Wood & Son.

**"OLD GLORY."**

This Benefit Entertainment Will No Doubt Be Well Patronized.

Much interest is being manifested in regard to the forthcoming production of the new comedy-drama, "Old Glory," which is now being ably rehearsed by Miss Edythe DeWitt.

The characters are all well taken by the best of our amateur talent, and each one in the cast is in raptures over her respective part.

"Old Glory" is purely an American comedy-drama in five acts with a fund of sparkling wit and original humor. The plot is intense in dramatic action, rising to climaxes of most natural power. Instead of the long waits between acts, entertaining specialties will be introduced, such as "The Miss Liberty Drill," "The Dance of the Gypsies," and Miss DeWitt's entertaining fancy and buck and wing dances.

Now, remember that these entertainments are to be given under the auspices of the Washington Fire Company Thursday and Friday, April 6th and 7th.

The cause is a most deserving one and you should make arrangements to attend.

Tickets will be on sale Wednesday, April 5th.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O.

Sold by druggists, 75 cents.  
Hall's Family Pills are the best.

KEENE NOTES FROM NATURE'S GREAT HIGHWAY.

The Urania passed up last night for Pomroy.

The Virginia is the packet for Pittsburgh tonight.

The W. F. Nisbet will pass up tonight for Pomroy.

The river is falling all above here, and is going down slowly at this point.

The Keystone State on her trip down Wednesday did the heaviest way business of the season.

The Raymond Horner, Dave Wood, Gate City, Hornet and Crown Hill passed up with tons of empties.

There are several million feet of lumber on the banks of the Lower Mississippi awaiting shipment, which cannot be moved on account of the high water.

The sinking of the steamer Rowena Lee, at Caruthersville, Mo., was a fruitful source of discussion. The rivermen generally regretted the greatly exaggerated and garbled reports the papers printed about the distressing accident. Nobody believes that the boat's boilers exploded. One prominent steamboat man gave it as his opinion that the boat, in backing out of an eddy after landing, came ahead too strongly, and, striking the swift current, took a dive and broke in two. The Rowena Lee was a boat something like the Lizzie Ray or Stanley.

The City of Pittsburgh, which passed here yesterday morning for New Orleans, was built expressly for speed at Marietta and has three Scotch marine boilers, the same as used on ocean and lake vessels. They are 100 inches in diameter by 14 feet 6 inches long, with two furnace flues of 40 inches in diameter and 90 3/4-inch return flues constructed of marine 65,000 tensile strength steel. She has two high pressure engines 26 1/2 inches in diameter and 10-foot stroke. The new boat has been 10 months in building. It is 300 feet long, 48 feet 6 inches beam, 79 feet 6 inches wide and 6-foot hold. Her wheels are 32 feet in diameter, with 14 feet 6 inch buckets. She has a full length cabin with promenade guards, 60 staterooms in main cabin, 12 on the intermediate deck, 32 in Texas and a total number of berths of 228. She has an observation room in the Texas, with all the modern adjuncts. Her cabin is a picture of loveliness. She is completely illuminated with electric lights, steam heated, with sumptuous bathrooms, with hot and cold water. There is not a stove on the boat. Her chief officers are: Captain John M. Phillips; Captain Dana Scott, Alon Voegtley and O. D. Phillips, clerks; William Stapleton and Morris Huffman, mates; William Bollinger and William Garrison, stewards, and Sardin Kinnard and Edward Berry, engineers.

As the season of the year when pneumonia, is gripe, sore throat, cough, cold, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or "is just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it if "something else" is offered you. Henry W. Ray, adjoining Postoffice.
